

# Grapefruit

Puree Typical Analysis

Vintner's  
HARVEST

PREMIUM WINE MAKING PRODUCTS

Grapefruit is a yellow-orange in color and has a beautiful citrus nose and a gentle sweetness that is balanced with a tartness that leaves you wanting another taste. The grapefruit pulp adds texture and marries both the sweet and tart flavors into perfect balance. The product contains no preservatives and no additives.

## Typical Analysis

### Measurement

### Data

pH:	3.0 - 3.4
Brix:	8.0° - 12.0°
Specific Gravity:	1.020 - 1.060
Viscosity:	24 cm/min (Bostwick at 70°F)
Color:	Light pink to light red

### Storage:

Product is shelf stable, no refrigeration is necessary for food safety of unopened bags. Refrigerated or frozen storage is highly recommended for optimal color and flavor quality. Thawed product should not be refrozen. Shelf life is 18 months from production date.
