

**BLENDED
GRAPE MUST**

VINIFERA NOBLE *Piccolo*

YIELD
3.79L | 1 US GAL

Make wines of distinction & greatness!

Produces a unity between fresh grape musts and concentrate, they are characteristically warm, round, powerful, robust as well as subtle.

BLENDED GRAPE MUST | 1.2L (0.32 US GAL.) FORMAT

Mosti Mondiale's 1.2L (0.32 US GAL.) Vinifera Noble Piccolo presents a perfect blend between both fresh grape must and concentrate at a price point that makes all home winemakers excited!

Vinifera Noble Piccolo will yield wines that can be consumed young and provide you with an unparalleled body, bouquet, and color.

REDS

CABERNET SAUVIGNON | CALIFORNIA

The king. An undeniable reputation that has already conquered the world. It is a full-bodied wine with great structure that presents itself in a crimson color with violet hues. Experience cherry and blackcurrant fragrances that provide wonderful fruity flavors accompanied with soft spicy notes. Its charm lies in its roundness and supple mouth feel. This wine rises to its noble stature as the true king.

BODY — 5

MALBEC | CHILE

One of the most popular and important grape varieties in South America – Malbec has also risen up in popularity in the US in recent years. Produces a dark wine with berry- and coffee-like characteristics.

BODY — 5

WHITES

PINOT GRIGIO | ITALY

An important grape variety in several regions of the world including France, Italy and Oregon. A fine wine with an emphasis on exotic aromas; mango, apricot and tropical fruits.

BODY — 1
